

August 20, 2020

Dear JCC Members,

First and foremost, I would like to thank you for your patience as we have gone through the arduous task of preparing the JCC's pool for the re-opening process. These procedures are new to all of us, and your cooperation in helping us follow them is greatly appreciated. Please understand this is a work in progress, and we may be changing or adjusting our protocols down the line as we see what does and does not work.

The pool will be reopening by appointment only beginning on **Tuesday, August 25, 2020. Children may come to swim with their parent or guardian by signing up for the shallow or deep end slots, or if they are signed up for a lesson.**

Please carefully review the protocols below and let me know if you have any questions.

Pool Protocols:

Use of the pool will be by **APPOINTMENT ONLY**. You can make an appointment by calling the JCC office between the hours of 9am and 5pm Monday through Friday **the day before** you would like to swim. For Sunday and Monday swim times you must call the previous Friday.

If we find there is a big demand for the slots we will limit the number of times you may sign up per week so we can try and accommodate everyone who wishes to swim at least once a week if not more.

If you make a reservation and there is a valid reason why you can't show up you must call the office before 5 pm to let us know why. If you just don't show up then you will not be allowed to make a reservation again for at least one month.

You can call to find out if there are any openings on the day of, which will be taken on a first come first served basis.

For the health and safety of our members and the community at large, if you can answer yes to any of the following questions you **SHOULD NOT** come to the JCC:
